clover Station Duo

A powerful POS for both sides of the counter

Engage your customers like never before with Station Duo. Use our all-in-one, tailored POS system to manage every aspect of your growing venture.

Let them drive

Station Duo includes a customer facing terminal that displays itemized order details, allowing customers to confirm their orders, and even enter their contact information for loyalty and rewards.

Accept all major payment types

Let your customers pay how they want to pay. Swipe, dip or tap. Credit, debit or NFC payments including Apple Pay®, Google Pay®, Samsung Pay® and more.

Move at the speed of now

Station Duo is a fast, high performance point-of-sale (POS) system. From inventory and orders to managing your staff and running reports, it's all at your fingertips.

The smart and simple way to run your business more securely

- Secure – Help protect your business and customer information with end-to-end encryption and data tokenization and integrated EMV® chip sensors.
- 24/7/365 Support – You can't do it all on your own. When you need help, we've got your back.
